

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

This communication is an Examiner's reasons for allowance in response to application filed on 01/18/2008, assigned serial 10/688,472 and titled "Traffic Alert Police Radar".

The following is the Examiner's statement of reasons for the indication of allowable subject matter:

The applicant's amendment and remarks filed on 01/18/2008 have been fully considered. In response to the applicant's amendment, 112(second paragraph) has been withdrawn. The application is now set in a condition of allowance.

The examiner have searched a plurality of classification areas that are relevant to the claimed subject matter, but none of the prior art, either alone or in combination, fairly teaches or discloses the method of determining the presence of a U-turn pursuit maneuver by monitoring the primary vehicle for a relatively sudden slowing of primary vehicle velocity from a first velocity to a second velocity followed by a subsequent velocity increase from the second velocity to a third velocity, wherein the third velocity is greater than or equal to the first velocity and the first velocity is greater than the second velocity.

For that reason, claims 1, 5, 6, 11, 12, and 14-16 are set in a condition of allowance.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan C To whose telephone number is (571) 272-6985. The examiner can normally be reached on from 8:00AM to 5:00PM.
